Dmitrii Artemev

FRONTEND DEVELOPER | REACTJS SPECIALIST |
MACHINE LEARNING RESEARCHER
LOOKING FOR A LONG TERM JOB|GRADUATE PROGRAM

Career Objective

I am a passionate developer with a strong foundation in Frontend technologies, particularly ReactJS, and a growing interest in Fullstack development. My experience in building user-friendly and responsive web applications fuels my curiosity about the full development cycle, from server-side logic to database management. I am eager to further develop my skills in these areas, contributing to projects where I can collaborate across both Frontend and Backend teams to deliver comprehensive solutions.

Basic skills

- FrontEnd on ReactJS: Experience in building responsive and dynamic web applications with a focus on intuitive user interfaces. Before ReactJS used: jQuery, Bootstrap, and ASP.NET
- Backend Development: Learning and using Node.js to create server logic and interact with databases. Participated in projects integrating Frontend with Backend. Node.js was used with Express. Have some experience in using Flask
- Database Management: Basic knowledge of database management with using MS SQL|MongoDB, including creating and optimizing queries and designing data schemas
- Good communication skills, successful teamwork experience
- Ongoing study and interest in applying machine learning concepts to web development projects

What I'm working on now/What I'm studying now

- Studying ML and its application in web projects
- Completed the AWS Cloud course
- Finished an interesting project on image classification with Kaggle dataset

Personal Qualities

ADAPTABILITY
- Demonstrated ability to adapt to evolving project requirements and technologies.

CREATIVITY
- Innate creative approach to designing visually appealing and innovative interfaces.

PROBLEM-SOLVING
- Proven track record of effective problem-solving and debugging skills.

ATTENTION TO DETAIL:
- Meticulous attention to detail in coding, design, and project implementation.

PASSION FOR LEARNING:
- Enthusiastic about staying updated on the latest industry trends and technologies.
